

HOWARD FALCO BIOGRAPHY

Howard Falco is heralded as a new teacher for a new era. In the middle of ordinary life this married father of two went through an extraordinary and profound experience undergoing a full enlightenment that revealed the meaning of life and the answers to the deepest questions people ask on a regular basis.

Stunned, humbled, and most importantly inspired by this amazing awareness, Howard set out to honor this powerful insight. Delivering his message to the world through his keynote talks, private coaching sessions, and his first book, *I AM: The Power of Discovering Who You Really Are*, Howard offers the practical tools that help individuals to best understand and harness their own power in order to accomplish any desire or goal and overcome any challenge in life. The amazing result is the achievement of a greater sense of peace, understanding and everyday fulfillment.

A new modern day spiritual teacher with no connection to any philosophy or religion Howard's book, *I AM: The Power of Discovering Who You Really Are* encourages people to dive right into turning to yourself for the answers to life most compelling questions such as "Who am I?" "Why am I here?" and "Why have I suffered?" Written for everyone, from all walks of life, I AM invites readers to consciously participate in our own creative process and live life on our own terms - solving everyday problems like anxiety, finances, job issues, fear, relationships, stress management, and more. Howard is currently working on the highly anticipated follow-up to I AM, scheduled for release in April 2014.

Howard, in a very clear and effective way, presents the wisdom that empowers individuals to be in the greatest state of understanding and awareness regarding the hidden power they have within to affect every aspect of their journey of life.
